Premium Mobilya

Years of *experience*, the *aesthetics* *of life.*

With a rich history dating back to 1976, Serbest Mobilya maintains its respected position in the sector with its vision centered on customer satisfaction. Since our establishment, empowered by the support of our valued customers, we have continuously improved both our product quality and our after-sales service.

Our company, which rapidly adapts to changing lifestyles and the aesthetic sensibilities of the modern age, anticipates global trends in home furniture and constantly perfects its production processes. Thanks to our consumer-focused approach, we analyze the needs and expectations of the sector down to the finest detail, creating solutions that add value to your living spaces.

Blending an innovative design language with years of industry experience, Serbest Mobilya operates in a modern 5,000 square meter production facility with a team of expert professionals. Our fundamental principle is to always raise the standards of quality, comfort, and aesthetics in our country to the highest level through our innovative production and marketing strategies.

Petra, one of the flagship pieces of the Serbest Premium 2026 collection, uniquely balances modern aesthetics with the warmth of home in living spaces. This comprehensive series, extending from the dining room to the elegant TV unit, blends functionality with elegance, giving spaces a brand new and refined identity. With its eye-catching wood details combined with innovative surface textures, Petra is more than just a furniture set; it offers a prestigious lifestyle that will envelop you every step into your home.

With its strong character, uncompromising noble stance, and mysterious aura, Lucca Dark places the darkest, most striking tones of wood right at the center of modern life. From the dining room to the console, each piece of the series has been masterfully crafted with fine workmanship to create a dramatic, charismatic, and luxurious atmosphere in the space. Its characteristic surface textures and the weight that dark tones add to the space make Lucca Dark an elite choice, far from ordinary.
